

Asia Elite Int'l Co., Ltd

**THE SPECIALIST IN FILTERS AND
CENTRIFUGAL AIR COMPRESSORS**

ASIA ELITE INT'L CO Ltd

- Asia Elite is Asia Distributor for North American Filter Corporation. And over 20 years of experience in servicing centrifugal air compressors and supply new parts, remanufactured parts and repairs of internal compressors parts.
- We can provide the services of supplying the Filters Products , Air Compressors Parts and also the Maintenance Services for Air Compressors.

We know how to keep your equipment in highest performance and lowest cost maintenance

PRODUCTS AND SERVICES

We know how to keep your equipment in highest performance and lowest cost maintenance

COMPRESSOR AIR INTAKE FILTERS

We know how to keep your equipment in highest performance and lowest cost maintenance

AIR INTAKE FILTER SERIES

SELECTION CHART

General Application	Air Intake Filter Series							
	1100	1200	1300	1500	2100	2200	2300	3000
Centrifugal-Compressor				X		X	X	X
Reciprocating-Compressor	X	X	X					
Screw-Compressor	X	X	X		X			X
Blower	X	X	X		X			X
Engine Turbocharged					X	X		X
Engine Aspirated	X	X		X				
Gas Turbine					X	X	X	X

AIR & GAS PRESSURE FILTERS

We know how to keep your equipment in highest performance and lowest cost maintenance

THE REAL FILTER CARTRIDGE

PRODUCT LINE

Product Series	Purpose/Objective	Applications	Flow Capacity	Pressure	Connection Size	Filtration
4000	Solid Particle Removal From Air/Gas Stream (Med-Light Loading)	Compressed Air/Gas Lines Instrument Air Natural Gas Pipe Lines Process Gas Streams	Up to 300 MMSCFD	Up To 1440 psig	Up To 48"	98% 1-40 Micron Radial Fin Cartridge
4700	Solid particle Removal From Vacuum Lines (Med-Light Loading)	Vacuum Pump Filter Vacuum Casting/Molding Packaging Laboratories	Up to 15,000 CFM	Full Vacuum To 15 psig	Up to 24"	98% 1-40 Micron Radial Fin Cartridge
5000	Coalescing Liquid, Aerosols And Particulate Removal From Compressed Air/Gas Lines	Compressed Air/Gas Lines Instrument Air Dryer Prefilters Process Gas Natural Gas	Up To 107,000 SCFM	Up To 720 psig	Up To 12"	99.9% 0.3 Microns (Aerosols) 2-Stage Coalescing Tube

LIQUID FILTRATION SYSTEM

We know how to keep your equipment in highest performance and lowest cost maintenance

LIQUID FILTER

PRODUCT LINE

Product series	Purpose/Objective	Applications	Flow Capacity	Pressure	Connection Size	Filtration
8000	Solid Particle Removal From Liquid Streams (Light Loading)	<ul style="list-style-type: none"> • Chemical • Petrochemical • Water • Feed Stocks • Lube Oil • Fuel • Coolants 	Up to 3500 GPM	Up To 1440 psig	Up to 12"	98% 1-90 Micron
<p>8000 Series Features NAFCO's Cleanable and Recoverable Radial Fin REAL FILTER® or SURE SEAL ® Patented Cartridges.</p>						
9000	Solid particle Removal From Liquid Streams (Light Loading)	<ul style="list-style-type: none"> • Chemical • Petrochemical • Water • Feed Stocks • Lube Oil • Fuel • Coolants 	Up To 1500 GPM	Up To 1400 psig	Up to 10"	98% 0.2-300 Micron
<p>9000 Series Features Multiple Cartridges, Disposable or Cleanable Type. Pleated Paper, Membrane, Sintered Metal, Molded Fiber, String Wound.</p>						

We know how to keep your equipment in highest performance and lowest cost maintenance

LIQUID FILTERS

- **Quality Replacement Lube / Oil Filters**
- **EDM Filters**
- **Hydraulic Filters**
- **Synthetic Lube / Oil Filters**
- **Fuel Filters**

We know how to keep your equipment in highest performance and lowest cost maintenance

COMPATIBLE REPLACEMENT FILTERS ELEMENTS

We know how to keep your equipment in highest performance and lowest cost maintenance

AIR COMPRESSORS AFTERMARKET PARTS FOR

- **INGERSOLL-RAND CENTAC**
- **FS – ELLIOTT**
- **COOPER JOY**
- **ATLAS COPCO**

We know how to keep your equipment in highest performance and lowest cost maintenance

INSTRUMENT & CONTROLS

**TRANSDUCERS &
VIBRATION PROBE**

**COOLER REPAIR KITS, TEMP.SENSOR,
PRESSURE GAUGE**

Q2000 CIRCUITS BOARD

MP3 CIRCUITS BOARD

We know how to keep your equipment in highest performance and lowest cost maintenance

QUALITY PARTS

INLET AIR DIFFUSER

IMPELLER & PINION

We know how to keep your equipment in highest performance and lowest cost maintenance

BEARINGS & SEALS

We know how to keep your equipment in highest performance and lowest cost maintenance

COOLERS

We know how to keep your equipment in highest performance and lowest cost maintenance

CENTRIFUGAL AIR COMPRESSORS TECHNICAL SERVICED

With over 18 years of experience and knowledge in servicing centrifugal air compressor

- **INGERSOLL-RAND CENTAC**
- **FS-ELLIOTT PAP**
- **CAMERON COOPER JOY**
- **ATLAS COPCO**

We know how to keep your equipment in highest performance and lowest cost maintenance

TECHNICAL SERVICES

- **EXPERIENCE AND SKILL SERVICE ENGINEER**
- **SCHEDULED MAINTENANCE**
- **IMPROVEMENTS IN RELIABILITY AND PERFORMANCE**
- **TROUBLESHOOTING AND CORRECTIVE RECOMMENDATIONS**
- **PREVENTIVE MAINTENANCE PROGRAMS**
- **EQUIPMENTS UPGRADES AND MODIFICATIONS**
- **OVERHAUL MAINTENANCE**
- **TRAINING SEMINARS, HAND ON TRAINING ON SITE**

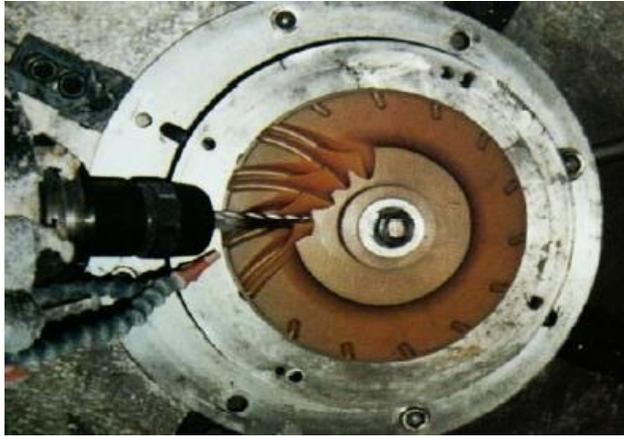

We know how to keep your equipment in highest performance and lowest cost maintenance

REPAIR SERVICES

- **DYNAMIC ROTOR BALANCING**
- **COMPONENT RESTORATION**
- **REMANUFACTURED PARTS**
- **REPAIRS OF PARTS**
- **UPGRADE CONTROL SYSTEM**

We know how to keep your equipment in highest performance and lowest cost maintenance

REMANUFACTURED PARTS

PARTS ARE MADE TO QUALITY STANDARD, FULLY WARRANTED AND COMPETITIVELY PRICE

We know how to keep your equipment in highest performance and lowest cost maintenance
